Standards Toolbox

Ensure Standards Compliance... Increase Student Achievement!

**Purchase Standards Toolbox Professional
with the following federal funds:**

Title I, Part A

Improving the Academic Achievement of the Disadvantaged, Basic Grants
Supports school improvement activities, including additional academic support and standards-aligned instructional materials.

ESEA Title II, Part A

Improving Teacher Quality State Grants
Supports “highly qualified professional development” by helping schools and districts improve teacher and principal quality in order to increase academic achievement.

ESEA Title II, Part D

Educational Technology State Grants
Supports technology literacy and student achievement through effective use of technology in the classroom.

Title III

English Language Acquisition: State Formula Grant Program
Supports teaching English to LEP students and helping those students meet the same state standards required for all students.

ESEA Title V, Part A

Innovative Programs State Grants
Supports local education reform efforts, including education innovation and professional development activities.
